Event Brochure

About OutServe

OutServe is the association of actively serving LGBT military personnel. With over 3,000 members and 42 chapters worldwide, it is the one of the largest LGBT employee resource groups in the world. OutServe works to support a professional network of LGBT military personnel and create an environment of respect in the military with regards to sexual orientation and gender identity.

About the Summit

The OutServe Armed Forces Leadership Summit will provide an international forum on creating an environment of respect in the military with regards to sexual orientation and gender identity. It will provide the LGBT military community a means of building professional networks, sharing best practices and formulating strategies that help build a stronger military community. The Summit will boast intriguing and groundbreaking panels and workshops that are dedicated to building a stronger and more inclusive military community.

Participants

The OutServe Armed Forces Leadership Summit will be open to actively serving military personnel, the veteran community, civil servants and civilians interested in how they can help better create an environment of respect in the military with regards to sexual orientation and gender identity. OutServe is also proud to welcome our foreign military allies to the Summit.
